General Assembly 2009

The annual meetings of WBFSH are now approaching rapidly and the entries are ticking in these days as the entry deadline is September 1st. If you have forgotten to enter you and your companion and/or colleague, please don't hesitate to click www.wbfshGA09.com to find our electronic reply form. If you would rather use the traditional printed reply form, please contact cbl@varmblod.dk and we will send one immediately.

On September 1st 2009 we have to report the number of hotel rooms booked, and after that we cannot guarantee you a room on the hotel where the meetings take place. Hotel booking on alternative hotels must be done by yourself.

The annual meetings are scheduled for November 3rd – 5th 2009, but there are exciting tours both before and after these dates – for further information visit www.wbfshGA09.com

The overall theme for the seminar sessions in November is "Breeding for an improved health, longevity, and welfare in horses" – see the seminar programme in full at the above website.
