WBFSH / FEI Rankings:

Dear members of the WBFSH,

As the WBFSH/FEI-ranking season will end at the 30th of September, you, as a breeding organisation, have one month left to do some updates in the rankings.

There are still some horses placed very high at the ranking, which have no pedigree information, but more important: no studbook information! These horses will not count for your studbook if the column "studbook" in the ranking is not filled in. Even when the breed column is filled correctly, but the studbook column is empty or not correct, you as a studbook have to identify the horse.

The only way to update the ranking is to fill out the excel sheet which is provided at the WBFSH-website, and attached to this email again. Please fill in as much information about the horse as possible and provide always the FEI-number of the horse. An example is given in the sheet and also an explanation in the first cell of every column.

Send the completed file to arts@kwpn.nl as soon as possible, but before the 23rd of September 2011. Files received after this date are not accepted anymore, because the FEI will not have enough time to do the updates!

On behalf of the WBFSH,

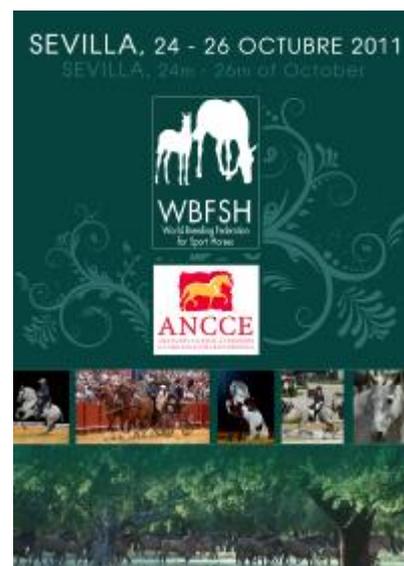

Best regards,
Daniëlle Arts

WBFSH General Assembly and Seminars October 2011

Have you forgotten to enrol for this exciting program in the South of Spain this autumn?

This year, the World Breeding Federation holds its General Assembly and seminars in Seville, Spain. A very relevant and worthwhile series of seminar topics is planned. Put a mark in your calendar and get hotel and flight booked. For further details, please take a look at the program and print the enrolment forms on our website [here](#). Don't wait too long, since the hotel is not obliged to reserve rooms for the WBFSH guests after September 1st....

Yours sincerely,
Karina Christiansen
