Latest news on General Assembly and seminars 2012

Dear participant at the coming annual meetings of WBFSH,

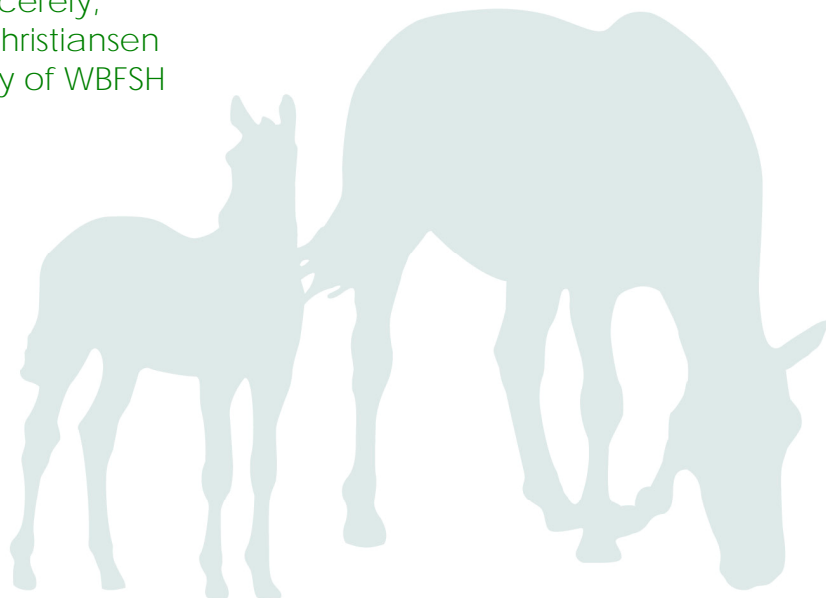

We are now very close to this year's General Assembly and seminar hosted by the BHHS – the British Hanoverian Horse Society in the UK on November 5th – 7th.

The newest versions of programme, agenda, information leaflet, list of participants are now [online here](#)

At that page you will find also a link to bbc's weather forecast for Newmarket and a presentation of the sponsors of the annual meetings 2012. As you can see at the programme, the topics offered at the seminar and additional meeting days are of highest relevance to most sport horse breeding associations in the world.

We look forward to seeing you all at this very interesting venue at the heart of England's race horse and breeding industry!

Yours sincerely,
Karina Christiansen
Secretary of WBFSH
