offers good possibilities to experience much more of this exciting country. Find the headline 'Tour Proposals' on our website regarding the General Assembly 2014 – there you will find the contact data of this company.

Accommodation should be booked soonest possible, too, as there is a Formula One race in São Paulo during the same time period, and we strongly urge our members and delegates to use the hotel proposed by the host, since they have worked hard to ensure rooms for the WBFSH delegates. So regarding the hotel, please book your rooms at the latest by September 22nd as well.

Please take into consideration that after September 22nd we cannot guarantee you a hotel room in that hotel, and that due to a big Formula One race taking place in the city during the same time period you might have difficulties in finding a room by yourself...

We look very much forward to seeing a lot of you in Brazil!

Yours sincerely,
Karina Christiansen
Secretary of WBFSH
