Vilhelmsborg, October 19th 2010

Remember to forward this newsletter to all relevant persons in and outside your organisation!

Download files from Annual meetings in September 2010

To save costs and environment etc., it has been decided to not print, copy, and send the material from the meetings in September. Everything is available at the website. Reports, minutes, enclosures, and presentations from the General Assembly and the seminars in the United States in late September can be found [here](#). Therefore, take care that all relevant persons in your organisation receive this newsletter. The revised Strategic Plan can be found [here](#).

More news from the events and meetings

Our news manager Thomas Bach Jensen has been very busy publishing many interesting news from the days in Scandinavia. Take a look at our common website www.wbfsch.org and remember to advertise for the www.wbfsch.org in catalogues of your own studbook all through the year.

Furthermore, don't hesitate to send your news items from your stallion selections, Breeder of the Year, results from your national young horse championships and performance test etc. to Thomas Bach Jensen on news@wbfsch.org – always in English. You are welcome to also include a photo or more with relevant text.

Final rankings now online!

The final FEI/WBFSH rankings are now online on the website. Congratulations to winning studbooks and the owners, riders and especially the breeders of the winning horses!

Sire rankings just around the corner

The sire rankings for 2010 will be published later this week on www.wbfsch.org

Fill in the calendar for 2011!

Send the calendar items for your studbook's biggest events, like stallion selection, elite mare or -foal shows, young horse championships, and performance tests etc. – in English and listed like this, please:

Date	Name of event	Place/city and country	Arranger (Studbook/NF etc)
------	---------------	------------------------	----------------------------

- to news@wbfsch.org – soonest possible, so that our common calendar will continue to be a site worthwhile to check out when breeders and horse dealers plan their trips around the world.
