Dear participant,

We are pleased to send to you the latest news regarding the

### **General Assembly and seminars in Budapest, Hungary 2018**

#### **A small change in the program**

The host had to cancel the trip to World Cup Driving on Saturday morning, but in stead they have suggested two really nice alternatives:

1. *Visit the Budapest Christmas Market:*

<http://budapestchristmas.com/christmas-market-on-vorosmarty-square> – free, open from 10am

2. *Visit the Gellert Thermal Bath*

<http://www.gellertbath.com> Entrance fee is 18 euro, open from 6am

Both programs are in walking distance from the hotel /10-15 min/ or 5 minutes with taxi. The host takes care that there will be printed maps for all who might be interested so it is easily found. [Find the updated programme and latest list of participants here.](#)

#### **Check out the updated information/welcome leaflet**

Find information about shuttle service from airport to hotel etc. Also, there are many good proposals for extra sightseeing, pictures from Hungary and of Hungarian sport horses, as well as other relevant travelling information in it. [Find the welcome leaflet at the bottom here.](#)

#### **WHIRDEC meeting in Hungary – a record-high number of delegates!**

Once again, a WHIRDEC meeting is held in conjunction with the annual meeting of the WBFSh. This time the number of delegates has surpassed 80 people from all over the World and we are thrilled to see that many years of striving for world-wide cooperation within registration of equidae has succeeded to this extent. Further questions regarding the WHIRDEC meeting must be addressed to Emilie Goulas at [emilie.goulas@ifce.fr](mailto:emilie.goulas@ifce.fr).

#### **Seminar and Workshop on Welfare**

CV's and many of the summaries from our very prominent speakers at the Welfare seminar are now online.

The 5 groups for the workshop have also been made, each with their moderator. [Find the files regarding the welfare topics and workshop groups here.](#)
